PRIVACY POLICY

This Privacy Policy (hereinafter referred to as the „Policy”) has been published on and is effective as of 15.10.2020.

1. DEFINITIONS

Content means maps, points of interest, 3D content, voices, language files, and other navigation-related content, which can be uploaded on your Navigation Device and used with your Software.

Free Product means a service provided for a fixed period while the User is entitled to download new Content without any additional charge following the purchase of a vehicle.

GDPR means the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27th April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC.

Mapcare Period means the period while Free Product is available and provided for the User (usually it is a three-year period).

Map Toolbox means a free software tool for PC and OSX, which is used to download Updates and Products from NNG’s servers and upload them to the Navigation Device.

Navigation Device means the in-motor navigation system built into your vehicle (including the SD card/USB stick, or other data carrier that contains the navigation data).

NNG means NNG Software Developing and Commercial Limited Liability Company

Registered office:	Szépvölgyi út 35-37., H-1037 Budapest, Hungary
Court of registration:	Budapest-Capital Regional Court (Fővárosi Törvényszék)
Company registration number:	01-09-891838
Tax number:	13357845-2-44
Email address:	privacy@nng.com

Partner means the following entity:

Company name:	Polaris Industries Inc.
Registered office:	2100 Highway 55 Medina, MN 55340, United States
Email address:	ridecommand-support@polaris.com

Product means Updates, Content.

Software means the navigation software that runs on your Navigation Device.

Updates mean Content and Software updates, which are provided by your Navigation Device manufacturer or Software developer, and which provide additional features, new Content versions, or fix known Software problems.

User or You means a registered user of the Map Toolbox.

User Activity means location and behaviour data (language selection in the Map Toolbox, products put in the User’s cart), onsite browsing history, usage patterns (frequency/patterns of logging-in to investigate fraud, misuse of the Map Toolbox).

VIN (Vehicle Identification Number) means the unique serial number of the vehicle.

2. PRIVACY POLICY

2.1. Purpose of this document

This Policy sets out the terms and conditions of how the data subject's (hereinafter referred to as the "User" or "You") personal information is processed. Please read these terms and conditions carefully!

2.2. Availability and updating of this document

NNG reserves the right to amend this document unilaterally at any time. We suggest visiting the Map Toolbox from time to time for the latest information, however, You will also be informed of this Policy being amended in case of significant changes (e.g. legal basis of processing, scope of processed data, person of data processor) of the Policy.

2.3. Data controller

2.3.1. The data provided in the Map Toolbox is processed by NNG.

2.3.2. The provided data is accessible to the following persons:

- NNG's employees and managers involved in the data collection;
- IT specialists performing a variety of IT tasks related to the operation and maintenance of NNG's computer system as part of their role within NNG in connection with performing their duties associated with the purpose of this Policy.

2.4. Data processing

2.4.1. *Processing of data provided by the User during the registration in the Map Toolbox*

2.4.1.1. Purpose of data processing

- a. Administering registration in the Map Toolbox and User account maintenance.

If the User wishes to download or purchase a Product, he/she shall register in the Map Toolbox. User account maintenance includes but is not limited to the performance of NNG's duties in connection with your rights specified in section 2.7.

- b. Provision of Updates

The process of carrying out an Update is the following: the User shall synchronize the data of the Navigation Device to a USB flash drive manually. The USB flash drive in this way will contain all information which is necessary to carry out an Update. The User shall insert the USB flash drive to the PC and launch the Map Toolbox application. By using the Map Toolbox application information listed in section 2.4.1.2 b) is sent from the Map Toolbox to the NNG server.

c. Sending system notifications

NNG sends system notifications in connection with technical issues in relation to and during the access to Products, including, but not limited to technical issues during downloading the Content, notification related to Updates during Mapcare Period, notification related to Mapcare expiration date, to release of a new Map Toolbox and changes in the privacy policy.

2.4.1.2. *Scope of the User's processed personal data provided during the registration in and/or usage of the Map Toolbox:*

a) The following information is processed related to the registration of the User:

- User's first name;
- User's last name;
- Country of residence;
- User's email address;
- User's password (in an encrypted form);
- User's billing address;
- User Activity;
- User's purchase history.

b) The following information is processed related to the recognition of Navigation Device:

- brand and model to identify the Navigation Device;
- SWID (an ID created from the VIN using a one-way hash function);
- Navigation Device ID (Unique Identifier of the Navigation Device);
- Software version;
- first use date (the time of the first GPS fix of the navigation head unit);
- VIN.

2.4.1.3. *Legal basis of data processing*

The data is processed in compliance with GDPR and all relevant local laws.

The legal basis of data processing is the performance of contract pursuant to point b) of Article 6(1) of the GDPR. During the Mapcare Period NNG is providing Free Products to You as subcontractor of the Partner and processing your data in order You can access and download the Free Products during the Mapcare Period. Following the expiry of the Mapcare Period You will be able to purchase Products directly from NNG for your Navigation Device and NNG is processing your data in order to enter into such purchase contract and perform said contract and administer your account, such as your Navigation Device history.

2.4.1.4. *Duration of data processing*

Your personal data uploaded via the Map Toolbox is retained for the period during which any Update or Product is available and supported by NNG, or until You cancel your account.

Notwithstanding the above, NNG shall immediately delete your personal data if You specifically request the deletion thereof and there is no valid legal ground for data processing.

2.5. Data processor

2.5.1. *Data processing related to enforcing the User's rights specified in section 2.7*

2.5.1.1. In order You can enforce your rights as a data subject specified in section 2.7 NNG cooperates with the following data processor:

Name of NNG's data processor: Atlassian Corporation Plc
Address of the data processor: Exchange House
Primrose Street
London EC2A 2EG
c/o Herbert Smith Freehills LLP

Website: <https://www.atlassian.com/>
Contact information: <https://www.atlassian.com/company/contact>

Atlassian provides NNG with an online system through which NNG can manage receipt of your requests sent through the online form specified in section 2.7.2 i regarding enforcing your rights as a data subject and sending answers to your request.

2.5.2. *Data processing related to providing the User with the Updates*

2.5.2.1. In order NNG can provide You with the Updates, NNG uses cloud computing services provided by Microsoft Azure.

Company name: Microsoft Ireland Operations, Ltd.
Address: Carmenhall Road Sandyford, Dublin 18, Ireland
Website: <https://azure.microsoft.com/hu-hu/>
Contact: <https://azure.microsoft.com/hu-hu/overview/sales-number/>

Microsoft has access to all personal data of the Users listed in the present Policy.

2.6. Data security

2.6.1. NNG observes all applicable regulations regarding the security of personal data, therefore both NNG and its authorized data processors implement appropriate technical and organizational measures to protect personal data and establish adequate procedural rules to enforce the provisions of the GDPR concerning confidentiality and the security of data processing.

2.7. Rights and remedies

2.7.1. Any personal information which You provide for NNG must be true, complete, and accurate in all respects. You can modify your personal data at any time by logging in to your User account through the Map Toolbox.

2.7.2. You are entitled to exercise the following rights in relation to NNG's data processing activities:

- Request information on the processing of your personal data (see section 2.7.3);
- Request data portability (2.7.4).
- Request the rectification of your personal data (see section 2.7.5);
- Request the deletion of your personal data or restriction of the processing of your personal data (see section 2.7.6 and 2.7.7);
- Object to NNG's data processing (see section 2.7.8).

In the event You wish to exercise any of your rights detailed above, please send your request by using one of the following means:

- i. By sending a request to NNG through <https://nng-npss.atlassian.net/servicedesk/customer/portals>
 - ii. By sending an email to NNG's email address specified in section 1.
 - iii. By sending a mail to NNG's postal address (the registered office) specified in section 1.
- 2.7.3. You are entitled to request information on data related to You and processing carried out by NNG thereof, especially information as to what personal data relating to You is

stored; the sources from which they were obtained; the purpose, grounds, and duration of processing; if your personal data is made available to others, the legal basis and the recipients; and any data protection incident in relation to your personal data. NNG shall provide written information on the processing of your personal data within 1 month after receipt of the request. You may also request the correction of your personal data.

- 2.7.4. You are also entitled to request a structured, commonly used and machine-readable formatted copy of your personal data that NNG is processing subject to conditions set out in Article 20 of the GDPR.

You have the right to transmit your personal data to another controller or, where it is technically feasible, You can request NNG to transfer your personal data directly to another controller as specified in Article 20 of the GDPR.

- 2.7.5. If your personal data is inaccurate, You may request NNG to rectify such data, provided that the correct data is at NNG's disposal.

- 2.7.6. Your personal data shall be deleted upon your request in accordance with applicable laws. NNG shall delete all stored personal data in compliance with this Policy by obfuscating your personal data, by making it anonym in a permanent and non-reversible manner.

Please be informed that your data will not be deleted if the processing thereof is required by law or other exceptions apply under applicable law.

- 2.7.7. You have the right to obtain restriction of processing from NNG in the following cases:

- a) You think that your processed personal data is not accurate, for a period enabling NNG to verify the accuracy of your personal data;
- b) the processing is unlawful, and You opposes the erasure of your personal data, You are entitled to request restriction of their use instead;
- c) NNG no longer needs your personal data for the purposes of processing, but You require NNG to continue the processing for the establishment, exercise or defence of your legal claims;
- d) You have objected to processing, for a period pending the verification whether the legitimate grounds of NNG override those of yours.

- 2.7.8. At any time, You have the right to object to processing your personal data subject to certain conditions under applicable laws, You may separately object against processing your personal data for direct marketing purposes, including Profiling, as set out herein. In this case, NNG will no longer process your personal data unless if NNG demonstrates compelling legitimate grounds for the processing which override your interests, rights and data protection related freedoms or if the processing is necessary for the establishment, exercise or defence of legal claims.

- 2.7.9. You may lodge a complaint about the processing of your personal data to the National Authority for Data Protection and Freedom of Information (Nemzeti Adatvédelmi és Információszabadság Hatóság – “NAIH”; address: H-1055 Budapest, Falk Miksa utca 9-11.; postal address: H-1374 Budapest, Pf. 603.; phone: +36-1-391-1400; facsimile: +36-1-391-1410; email: ugyfelszolgalat@naih.hu) or to the data protection authority of your home country or country of your residency.
- 2.7.10. Independently from lodging a complaint to NAIH, You may turn to court pursuant to the provisions set forth in the GDPR if your rights are infringed. Upon your decision, the procedure may be launched before the tribunal in whose jurisdiction You are domiciled or You have a temporary address. Prior to initiating a legal procedure, it may be useful to discuss the complaint with NNG.
- 2.7.11. Your detailed rights and remedies are set out in Articles 15-21 of the GDPR.

2.8. Contacting NNG

We value your opinion. If You have any comments, questions, or wish to obtain more information on data processing at NNG, please send your request as specified in section 2.7.2

We will handle the submitted information confidentially. Our representative will contact You within a reasonable time.

The data protection officer (DPO) of NNG can be contacted under DPO@nng.com email address.
